

# Certificate of Approval

This is to certify that the Management System of:

## Scottish Power Renewables (UK) Limited

9th Floor, 320 St Vincent Street, Glasgow, G2 5AD, United Kingdom

has been approved by LRQA to the following standards:

### ISO 14001:2015

Approval number(s): ISO 14001 – 00002307

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

#### The scope of this approval is applicable to:

Activities including and associated with the development and outline design, detailed design and construction, operation, maintenance and decommissioning of renewable power generation sites and battery energy storage systems within the UK and Ireland.

**David Derrick**

---

Regional Director, UKAM

Issued by: LRQA Limited

0001

LRQA Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'LRQA'. LRQA assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant LRQA entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
