Restriction on use of the company's assets

8 Subject to article 10:

8.1 the income and property of the company shall be applied solely towards the promotion of its objects (as set out in article 4);

8.2 no part of the income or property of the company shall be paid or transferred (directly or indirectly) to the members of the company by way of dividend, bonus or otherwise; and
8.3 no director of the company (other than the Executive Director if appropriate) shall be appointed to any office under the company in respect of which a salary or fee is payable.

9 No benefit (whether in money or in kind) shall be given by the company to any director except:

9.1 repayment of appropriately authorised out-of-pocket expenses; or

9.2 reasonable payment in return for particular services (not being of a management nature) actually rendered to the company; or

9.3 in the case of the Executive Director only, reasonable remuneration, and reasonable pension and/or other benefits paid or provided to him/her in his/her capacity as an employee of the company if appropriate.

10 The company shall, notwithstanding the provisions of article 8, be entitled

10.1 to pay a rent not exceeding the market rent for premises let to the company by any member of the company;

10.2 to make reasonable payments, in each case at a level which doesn't exceed what the directors consider to be the market rate for, accommodation, services and facilities (which may, without limitation, include the benefit of secondment arrangements) provided to the company by a member of the company; and

10.3 to make any transfer or payment to a member where such transfer or payment is made in direct furtherance of the charitable purposes of the company.

Liability of members

11 The liability of the members is limited.

12 Every member of the company undertakes to contribute such amount as may be required (not exceeding £1) to the company’s assets if it should be wound up while it is a member or within one year after it ceases to be a member, for payment of the company’s debts and liabilities contracted before it ceases to be a member, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves.

Membership

13 The membership of the company shall (subject to article 14 and 17) consist of such bodies as are admitted to membership under the articles of association of the company in force from time to time.

14 Any body which is a member of the company at the time when the resolution adopting these articles is passed, but which is not eligible for membership under article 17 shall automatically cease to be a member with effect from the
time at which the resolution adopting these new articles of association is passed.

15 Membership shall cease on the dissolution, winding-up, striking-off or receivership of the body which constituted the member or on receipt of a notice of retirement of the relevant body from membership under article 21.

16 A member may not transfer its membership to any other body or to an individual.

Qualifications for membership

17 Subject to article 13, membership shall be open only to Scottish Power.

Application for membership

18 Any incorporated body eligible for membership under article 17 (as amended from time to time) which wishes to become a member shall (subject to article 20) lodge with the company a written application for membership (in such form as the directors require); the application for membership shall be signed on the relevant body's behalf by an authorised officer of that body.

19 A body eligible for membership under article 17 shall automatically constitute a member of the company immediately upon receipt by the company of the application for membership, duly signed in accordance with article 18.

20 For the avoidance of doubt, a member which is a body eligible for membership under article 17 as at the time when these articles of association are adopted shall remain as a member without any requirement to lodge an application for membership under article 18.

Withdrawal from membership

21 Any body which wishes to withdraw from membership shall lodge with the company a written notice of retirement (in such form as the directors require), signed on its behalf by an authorised officer of that body; on receipt of the notice by the company, it shall cease to be a member.

Register of members

22 The directors shall procure that a register of members is maintained in accordance with the provisions of the Act and shall ensure that the appropriate entries in the register of members are made immediately after any change in the membership of the company occurs.

General meetings

23 The directors must convene a general meeting if there is a valid requisition by members (under section 303 of the Act) or a requisition by a resigning auditor (under section 518 of the Act).
Subject to the provision of article 23, the directors may convene general meetings whenever they think fit.

For the avoidance of doubt, the directors shall be under no obligation to convene annual general meetings.

Notice of general meetings

At least 14 clear days' notice of each general meeting must be given to all the members and directors and (if auditors are in office at the time) to the auditors.

The reference to "clear days" in article 26 shall be taken to mean that, in calculating the period of notice, the day after the notice is posted (or, in the case of notice sent by electronic means, the day after it was sent), and also the day of the meeting, should be excluded.

A notice calling a meeting shall specify the time, date and place of the meeting; it shall:

28.1 indicate the general nature of the business to be dealt with at the meeting;

28.2 if a special resolution (see article 45) or a resolution requiring special notice under the Act is to be proposed, state that fact, giving the exact terms of the resolution; and

28.3 contain a statement informing members of their right to appoint a proxy.

Notice of every general meeting shall be given:

29.1 in hard copy form;

29.2 (where the individual or body to whom/which notice is given has notified the company of an address to be used for the purpose of electronic communication) in electronic form; or

29.3 subject to the company notifying members of the presence of the notice on the website, and complying with the other requirements of section 309 of the Act, by means of a website.

The accidental omission to give notice of a meeting to, or the non-receipt of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.

Proceedings at general meetings

No business shall be transacted at any meeting unless a quorum is present; one person present and entitled to vote (being a proxy for a member or a duly authorised representative of a member which is a corporate body) shall be a quorum.
If the quorum required under article 31 is not present within 15 minutes after the time appointed for the members’ meeting, or if during a meeting such a quorum ceases to be present, the meeting shall stand adjourned to the same date in the next week, at the same time and place, or to such other day and at such other time and place as the Chair of the meeting may determine, and if at the adjourned meeting a quorum is not present within fifteen minutes from the time appointed for the meeting, the meeting shall be dissolved.

The Chair of the company shall (if present and willing to act) preside as chairperson of the meeting; if the Chair is not present and willing to act as chairperson of the meeting within 15 minutes after the time appointed for holding the meeting, the Vice Chair shall act as chairperson of the meeting.

If neither the Chair nor the Vice Chair is present and willing to act as chairperson of the meeting within 15 minutes after the time appointed for holding the meeting, the directors present shall elect one of their number to act as chairperson of the meeting or; if there is only one director present and willing to act, he/she shall be chairperson of the meeting.

Each of the directors shall, notwithstanding that he/she is not a member, be entitled to attend and speak at any general meeting.

The chairperson of the meeting may, with the consent of the meeting at which a quorum is present (and must, if the meeting requests him/her to do so), adjourn the meeting but not for a period in excess of thirty days; no notice need be given of an adjourned meeting.

**Votes of members**

Every member shall have one vote, which may be given either via its duly authorised representative present at the meeting or by proxy.

A member which wishes to appoint a proxy to vote on its behalf at any meeting:

38.1 shall lodge with the company, at the company’s registered office, a written instrument of proxy (in such form as the directors require), signed by an appropriate officer of the member; or

38.2 shall send by electronic means to the company at such electronic address as may have been notified to the members by the company for that purpose, an instrument of proxy (in such form as the directors require)

providing (in either case) the instrument of proxy is received by the company at the relevant address not less than 48 hours before the time for holding the meeting (or, as the case may be, adjourned meeting); for the avoidance of doubt, in calculating the 48-hour period referred to in the preceding provisions of this article 38, no account shall be taken of any part of a day that is not a working day.
An instrument of proxy which does not conform with the provisions of article 38, or which is not lodged or sent in accordance with such provisions, shall be invalid.

A member shall not be entitled to appoint more than one proxy to attend on the same occasion.

A proxy appointed to attend and vote at any meeting instead of a member shall have the same right as the member which appointed him/her to speak at the meeting and need not be a member of the company.

A member which is an incorporated body may authorise an individual to act as its representative at any general meeting of the company, providing particulars of the individual so authorised and of the body which he/she is to represent are received by the company prior to the commencement of the general meeting; the individual so authorised shall be entitled to exercise the same powers on behalf of the member which he/she represents as that incorporated body could exercise if it were an individual member.

The chairperson of a meeting shall not be entitled to a casting vote if an equality of votes arises in relation to any resolution.

A vote given by proxy or by the duly authorised representative of a member which is an incorporated body shall be valid notwithstanding that the authority of the person voting had terminated prior to the giving of such vote unless notice of such termination was received by the company at the company's registered office (or, where contained in an electronic communication, was received by the company at the address notified by the company to the members for the purpose of electronic communication) before the commencement of the meeting or adjourned meeting at which the vote was given.

**Special resolutions and ordinary resolutions**

For the purposes of these articles, a “special resolution” means a resolution of the members, which is either:

45.1 passed by 75% or more of the votes cast on the resolution at a general meeting, providing proper notice of the meeting and of the intention to propose the resolution has been given in accordance with articles 26 to 30 (for the avoidance of doubt, the reference to a 75% majority relates only to the number of votes cast in favour of the resolution as compared with the total number of votes cast in relation to the resolution and accordingly no account shall be taken of abstentions or members absent from the meeting); or

45.2 passed by members representing not less than 75% of the total voting rights of eligible members when passed by way of a written resolution, in accordance with articles 48 to 51.
In addition to the matters expressly referred to elsewhere in these articles, the provisions of the Act allow the company, by special resolution:

46.1 to alter its name; and

46.2 to alter any provision of these articles or adopt new articles of association.

For the purposes of these articles, an "ordinary resolution" means a resolution of the members, which is either:

47.1 passed by majority vote (taking account only of those votes cast in favour as compared with those votes cast against), at a general meeting, providing proper notice of the meeting has been given in accordance with articles 26 to 30; or

47.2 passed by members representing a simple majority of the total voting rights of eligible members, when passed by way of a written resolution, in accordance with articles 48 to 51.

Written resolutions

48 A written resolution can be passed by the members of the company (having been proposed by either the members or the directors in accordance with the procedures detailed in Chapter 2 of Part 13 of the Act) and will have effect as if passed by the members of the company in general meeting; a written resolution is passed when the required majority of eligible members have signified their agreement to it by sending to the company (in hard copy or electronic form) an authenticated document which identifies the resolution to which it relates and which indicates the member's agreement to it.

49 For the purposes of the preceding article:

49.1 the reference to "eligible members" is to those members who would have been entitled to vote on the resolution on the circulation date of the resolution (which is either (a) the date on which copies of the written resolution are sent or submitted to the members in accordance with the procedures detailed in Chapter 2 of Part 13 of the Act; or (b) if copies are sent or submitted to members on different days, the first of those dates);

49.2 the reference to "required majority" is to the majority required to pass an ordinary or a special resolution under the Act, as follows:

49.2.1 in order to pass an ordinary resolution by way of written resolution, it must be passed (in accordance with article 48) by members representing a simple majority of the total voting rights of eligible members;

49.2.2 in order to pass a special resolution by way of written resolution, it must be passed (in accordance with article 48) by members representing not less than 75% of the total voting
rights of eligible members and the resolution must specifically state that it was proposed as a special resolution.

For the avoidance of doubt, a resolution to remove a director (under section 168 of the Act) or a resolution to remove an auditor (under section 510 of the Act) cannot be proposed as a written resolution under article 48.

For the purposes of article 48, a proposed written resolution will lapse if it is not passed before the end of a period of 28 days beginning with the circulation date (as defined in article 49) and the agreement of any member to a written resolution will be ineffective if signified after the expiry of that period.

Executive Officer

The directors may from time to time appoint an executive officer of the Foundation for such period and on such terms as they consider appropriate.

The directors shall also prescribe the powers, rights and duties of the executive officer, which may include the supervision of the administrative activities of the Foundation, the recruitment of staff, and the supervision of any premises and the contents thereof acquired for the Foundation.

Categories of director

For the purposes of these articles:

"Member Director" means a director appointed or re-appointed under articles 61 to 63;

"Independent Director" means a director appointed or re-appointed under articles 64 to 67;

"Executive Director" means a director appointed or re-appointed under articles 75 and 76.

Number of directors

The maximum number of directors shall be 7 and the minimum number of directors shall be 3.

At any given time, a majority of the directors in office must be Independent Directors.

No more than one director shall be the Executive Director.

Board composition – general principles

The company shall, in exercising its powers in relation to the election/appointment of directors, seek to ensure (so far as can reasonably be achieved) that there is an appropriate blend of relevant skills and experience at board level to support good governance.
The members and the directors shall also have regard to principles of equalities in exercising their powers in relation to election/appointment of directors.

Skills and Experience Audit

Every three years, the board of directors shall undertake a skills and experience audit of the directors so as to identify areas for future development and to shape the future appointment of directors.

Appointment, removal, retirement: Member Directors

Subject to articles 55 and 63, Scottish Power, so long as it remains a member of the company, may by notice in writing, signed on its behalf by an appropriate officer and given to the company:

61.1 appoint any employee or non-executive director of Scottish Power who is willing so to act to be a Member Director; or

61.2 remove any Member Director from office as a director.

Any appointment or removal of a director under article 61 shall have effect from the date on which the relevant notice is given to the company or, if a later date is stated in the notice, with effect from that later date.

The powers conferred by article 61 shall be deemed to be limited such that no more than 2 individuals appointed by Scottish Power may hold office as Member Directors at any given time.

Appointment, removal: Independent Directors

Subject to article 55, Scottish Power, so long as it remains a member of the company, may by notice in writing, signed on its behalf by an appropriate officer and given to the company:

64.1 appoint any person (within the definition of an Independent Director) (after due consideration of the guidance from the Nominations Committee (as defined in article 127)) who is willing so to act to be a director on the basis that he/she has special skills/experience which would be of assistance to the board;

64.2 remove any Independent Director from office as a director.

Any appointment or removal of a director under article 64 shall have effect from the date on which the relevant notice is given to the company, or if a later date is stated in the notice, with effect from that later date.

Scottish Power shall be guided by the Nominations Committee (as defined in article 127) in relation to the selection of appropriate individuals for appointment as Independent Directors.
The directors of the company shall endeavour to establish the Nominations Committee within a reasonable period after the adoption of these articles of association; until such time as it is established, the references to Scottish Power being guided by the Nominations Committee shall be disregarded.

Retirement: Independent Directors

Each Independent Director shall retire at the conclusion of the fourth Accounts Sign-off Board Meeting which follows the date on which he/she was appointed or (as the case may be) was last re-appointed – but, providing he/she is willing to act, shall then be eligible for re-appointment under article 64.

If an individual ceases to hold office as an Independent Director but is re-appointed as an Independent Director within a period of six months (otherwise than at an Accounts Sign-off Board Meeting at which he/she is retiring), he/she shall be deemed for the purposes of article 68 to have held office continuously.

Retirement under article 68 shall take place immediately after the relevant annual accounts have been approved by the directors, but on the understanding that if a notice re-appointing the director is received prior to the commencement of the board meeting, he/she will be deemed to be immediately re-appointed.

For the purposes of these articles, an “Accounts Sign-off Board Meeting” means a meeting of directors at which the final accounts of the company for a given financial year are approved by the directors.

For the avoidance of doubt, any period in office as a director prior to the adoption of these articles shall be counted in applying the provisions of article 68.

A director may be appointed for a maximum of two four-year terms in total.

For the purposes of article 73, a “four-year term” shall be calculated in accordance with the principles underlying article 68 (as read with articles 69, 71 and 72).

Executive Director

The directors shall, at the first meeting of the directors which is held after the appointment of any individual to the post of executive officer of the company, appoint that individual as a director (“the Executive Director”) of the company.

The Executive Director shall continue to hold office as a director of the company unless and until he/she ceases (for whatever reason) to hold the post of executive officer of the company.

Disqualification and removal of directors

A director shall vacate office if:
77.1 he/she ceases to be a director by virtue of any provision of the Act or becomes prohibited by law from being a director or a charity trustee (within the meaning of the Charities and Trustee Investment (Scotland) Act 2005);

77.2 he/she is sequestrated;

77.3 he/she becomes incapable for medical reasons of fulfilling the duties of his/her office and such incapacity has continued, or is expected to continue, for a period of more than six months;

77.4 in the case of a Member Director, he/she ceases to be an employee or non-executive director of Scottish Power;

77.5 in the case of an Independent Director, he/she ceases to fulfil the criteria of an Independent Director;

77.6 (except in the case of the Executive Director) he/she becomes an employee of the company;

77.7 in the case of the Executive Director, he/she ceases to hold the office of executive officer of the company;

77.8 he/she resigns office by notice to the company;

77.9 he/she is absent (without permission of the directors) from more than three consecutive meetings of directors and the directors resolve to remove him/her from office;

77.10 he/she is removed from office by resolution of the directors on the grounds that he/she is considered to have committed a material breach of the Good Governance Code in force from time to time (as referred to in article 95);

77.11 he/she is removed from office by resolution of the directors on the grounds that he/she is considered to have been in serious or persistent breach of his/her duties under section 66(1) or (2) of the Charities and Trustee Investment (Scotland) Act 2005; or

77.12 he/she is removed from office by ordinary resolution (special notice having been given) in pursuance of section 168 of the Act.

78 A resolution under paragraph 77.10 or 77.11 shall be valid only if:

78.1 the director who is the subject of the resolution is given reasonable prior written notice by the directors of the grounds upon which the resolution for his/her removal is to be proposed;

78.2 the director concerned is given the opportunity to address the meeting of directors at which the resolution is proposed, prior to the resolution being put to the vote; and
78.3 at least two thirds (to the nearest round number) of the directors then in office vote in favour of the resolution.

**Appointments to offices**

79 The directors shall appoint from amongst themselves, a Chair and Vice Chair and such other office bearers (if any) as they consider appropriate.

80 A director shall be eligible to hold office as Chair or Vice Chair only if he/she is an Independent Director.

81 The appointments under article 79 shall require the prior written approval of Scottish Power and shall not be effective unless and until receipt of such written approval.

82 Each office shall be held (subject to article 84) until the conclusion of the final Board meeting which is held within the fourth financial year which follows the date of appointment of an individual to the relevant office; a director whose period of office expires under this article may (subject to article 83) be re-appointed to that office under article 79 (providing he/she is willing to act).

83 A director who has held an office under article 79 for two consecutive four-year terms shall not be eligible for re-appointment to that office until a further period of one year has elapsed.

84 For the purposes of article 83:

84.1 the period between the date of appointment of a director to an office under article 79 and the final Board meeting of the financial year which next follows shall be deemed to be a period of one year, unless it is of less than six months’ duration (in which case it shall be disregarded);

84.2 the period between one final Board meeting of a financial year and the next shall be deemed to be a period of one year;

84.3 if a director ceases to hold office under article 79 but is re-appointed to that office within a period of six months, he/she shall be deemed to have held that office continuously.

85 The appointment of any director as Chair, as Vice Chair or as holder of any other office under article 79 shall terminate if he/she ceases to be a director or if he/she resigns from that office by notice to the company.

86 If the appointment of a director to any office under article 79 terminates, the directors shall (subject to article 81) appoint another director to hold the office in his/her place.

17
Directors' interests

Subject to the provisions of the Act and of article 8 (as read with article 9) and provided that he/she has disclosed to the directors the nature and extent of any personal interest which he/she has (unless immaterial) and has complied with the Good Governance Code (as referred to in article 95), a director (notwithstanding his/her office):

87.1 may be a party to, or have some other personal interest in, any transaction or arrangement with the company or any associated company;

87.2 may be a party to, or have some other personal interest in, any transaction or arrangement in which the company or any associated company has an interest;

87.3 in the case of the Executive Director, may be employed by the company;

87.4 may be a director or secretary of, or employed by, or have some other personal interest in, any associated company; and

87.5 shall not, because of his/her office, be accountable to the company for any benefit which he/she derives from any such office or employment or from any such transaction or arrangement or from any interest in any such company;

and no such transaction or arrangement shall be liable to be treated as void on the ground of any such interest or benefit.

For the purposes of the preceding article, an interest of which a director has no knowledge and of which it is unreasonable to expect him/her to have knowledge shall not be treated as an interest of his/hers; the references to "associated company" shall be interpreted as references to any subsidiary of the company or any other company in which the company has a direct or indirect interest.

Without prejudice to article 90, for a director who is an employee or non-executive director of Scottish Power, the duty of directors under section 175 of the Act to avoid situations under which they have, or could have, a direct or indirect interest that conflicts, or possibly might conflict, with the interests of the company shall not extend to any such relationship with Scottish Power or any other company within the Group.

In addition to the authorisation given by article 89, the directors shall be entitled, for the purposes of section 175 of the Act, to authorise (by way of resolution to that effect) any Conflict Situation that may arise (such that the duty of the director concerned, under that section, to avoid conflicts of interest is not infringed) and to amend or vary any such authorisation; the directors may give such authorisation subject to such terms and conditions as they may consider appropriate and reasonable in the circumstances.
For the avoidance of doubt, articles 89 and 90 shall not apply to a conflict of interest arising in relation to a transaction or arrangement with the company; any conflict of interest of that nature shall be governed by the provisions of articles 87, 88 and 117 to 122 and the Good Governance Code referred to in article 95.

The directors shall procure that a register of directors' interests is maintained in accordance with the provisions in this regard contained in the Good Governance Code referred to in article 95.

Conduct of directors

It is the duty of each director of the company to take decisions (and exercise his/her other powers and responsibilities as a director) in such a way as he/she considers, in good faith, will be most likely to promote the success of the company in achieving its objects (as outlined in article 4) and will be in the interests of the company, and irrespective of any office, post, engagement or other connection which he/she may have with any other body which may have an interest in the matter in question.

Without prejudice to the principle set out in article 93, each of the directors shall have a duty, in exercising functions as a charity trustee, to act in the interests of the company; and, in particular, must:

94.1 seek, in good faith, to ensure that the company acts in a manner which is in accordance with its purposes;

94.2 act with the care and diligence which it is reasonable to expect of a person who is managing the affairs of another person;

94.3 in circumstances giving rise to the possibility of a conflict of interest between the company and any party responsible for the appointment of that director

94.3.1 put the interests of the company before that of the other party;

94.3.2 where any other duty prevents him/her from doing so, disclose the conflicting interest to the company and refrain from participating in any deliberation or decision of the other directors with regard to the matter in question;

94.4 ensure that the company complies with any direction, requirement, notice or duty imposed under or by virtue of the Charities and Trustee Investment (Scotland) Act 2005.

Good Governance Code

Each of the directors shall comply with the Good Governance Code ("GCC") (incorporating detailed rules on conflict of interest) of the charity; for the avoidance of doubt, the GCC shall be supplemental to the provisions relating to the conduct of directors contained in these articles of association, and the
relevant provisions of these articles shall be interpreted and applied in accordance with the provisions of the GCC in force from time to time.

Directors' remuneration and expenses

96 No director (other than the Executive Director if appropriate) may serve as an employee of the company, and no director may be given any remuneration by the company for carrying out his/her duties as a director or as Chair or as the holder of any other office under article 79.

97 The Executive Officer shall, notwithstanding that he/she is a director of the company, be entitled to retain all remuneration, and all pension and/or other benefits, paid or provided to him/her in his/her capacity as an employee of the company.

98 For the avoidance of doubt, the Executive Director shall not be entitled to vote on any matter relating to his/her remuneration or terms and conditions of employment.

99 The directors may be paid all travelling and other expenses properly incurred by them in connection with their attendance at meetings of directors, general meetings, meetings of committees of directors or otherwise in connection with the carrying-out of their duties.

Powers of directors

100 Subject to the provisions of the Act and these articles, and to any directions given by special resolution, the business of the company shall be managed by the directors who may exercise all the powers of the company.

101 No alteration of these articles and no direction given by special resolution shall invalidate any prior act of the directors which would have been valid if that alteration had not been made or that direction had not been given.

102 The powers conferred by article 100 shall not be limited by any special power conferred on the directors by these articles.

103 A meeting of directors at which a quorum is present may exercise all powers exercisable by the directors.

Proceedings of directors

104 Subject to the provisions of these articles, the directors may regulate their proceedings as they think fit.

105 Any director may call a meeting of the directors or request the secretary to call a meeting of the directors.

106 Questions arising at any meeting of directors shall be decided by a majority of votes; the chairperson of a meeting of directors shall be entitled to a casting vote.
The quorum for the transaction of the business of the directors shall (subject to article 108) be 4.

A quorum shall not be deemed to be constituted at any meeting of the directors unless a majority of those present at the meeting are Independent Directors.

If the quorum required under articles 107 and 108 is not present within half an hour after the time appointed for the meeting, or if during a meeting such a quorum ceases to be present, the meeting shall stand adjourned to such time and place as may be fixed by the chairperson of the meeting.

A director may participate in a meeting of the directors or a meeting of a committee of directors by means of a conference telephone, video conferencing facility or similar communications equipment whereby all the directors participating in the meeting can hear each other; a director participating in a meeting in this manner shall be deemed, for the purposes of calculating the quorum, to be present in person at the meeting.

The continuing directors or a sole continuing director may act notwithstanding vacancies, but if the number of remaining directors is less than the number fixed as the quorum they may act only for purposes connected with the filling of vacancies or for the purpose of calling a general meeting.

Unless he/she is unwilling to do so, the Chair shall preside as chairperson at every meeting of directors at which he/she is present; if the Chair is unwilling to act as chairperson of a meeting of directors or is not present within 15 minutes after the time appointed for the meeting, the Vice Chair shall act as chairperson of the meeting.

If neither the Chair nor the Vice Chair is present and willing to act as chairperson of the meeting within 15 minutes after the time appointed for holding the meeting, the directors present shall elect one of their number to act as chairperson of the meeting.

The directors shall be entitled to allow any person with relevant skills, knowledge and expertise to attend and speak (but not vote) at any meeting of the directors in an advisory capacity; a person invited to attend a meeting of the directors under the preceding provisions of this article shall not be entitled to exercise any of the powers of a director, and shall not be deemed to constitute a director for the purposes of the Act or any provision of these articles.

All acts done by a meeting of directors or by a meeting of a committee of directors or by a person acting as a director shall, notwithstanding that it is afterwards discovered that there was a defect in the appointment of any director or that any of them was disqualified from holding office or had vacated office or was not entitled to vote, be as valid as if every such person had been duly appointed and was qualified and had continued to be a director and had been entitled to vote.
A resolution in writing signed by all the directors entitled to receive notice of a meeting of directors or of a committee of directors shall be as valid and effectual as if it had been passed at a meeting of directors or (as the case may be) a committee of directors duly convened and held; it may consist of several documents in the same form, each signed by one or more directors.

Subject to article 118, a director shall not vote at a meeting of directors or at a meeting of a committee of directors on any resolution concerning a matter in which he/she has, directly or indirectly, a personal interest or duty (unless immaterial) which conflicts or may conflict with the interests of the company.

For the purposes of the preceding article:

118.1 an interest of a person who is taken to be connected with a director for any purpose of the Act, shall be treated as a personal interest of the director; and

118.2 a director shall (subject to article 119) be deemed to have a personal interest in relation to a particular matter if a body in relation to which he/she is an employee, director, member of the management committee, officer or elected representative has an interest in that matter.

A Member Director shall, notwithstanding the provisions of article 117 and paragraph 118.2 of article 118, be entitled to vote in relation to a particular matter notwithstanding that Scottish Power (or any other company within the Group) has an interest in that matter; but on the basis that in exercising their voting rights in respect of any such matter, the Member Directors shall comply with the provisions of articles 93 to 95.

A director shall not be counted in the quorum present at a meeting in relation to a resolution on which he/she is not entitled to vote.

The company may (subject to the Charities and Trustee Investment (Scotland) Act 2005) by ordinary resolution suspend or relax to any extent, either generally or in relation to any particular matter, the provisions of articles 117 to 120.

If a question arises at a meeting of directors or at a meeting of a committee of directors as to the right of a director to vote, the question may, before the conclusion of the meeting, be referred to the chairperson of the meeting; his/her ruling in relation to any director other than himself/herself shall be final and conclusive.

Delegation to committees of directors and holders of offices

The directors may delegate any of their powers to any committee consisting of two or more directors; they may also delegate to the Chair or a director holding any other office such of their powers as they consider appropriate.
Any delegation of powers under the preceding article may be made subject to such conditions as the directors may impose and either collaterally with or to the exclusion of their own powers and may be revoked or altered.

Subject to any condition imposed in pursuance of the preceding article, the proceedings of a committee consisting of two or more directors shall be governed by the articles regulating the proceedings of meetings of directors so far as they are capable of applying.

In addition to their powers under article 123, the directors may delegate their powers to any committee consisting of one or more directors and such other individuals (who need not be directors or employees of the company) as the directors may consider appropriate; the provisions of articles 124 and 125 shall apply in relation to any such committee, subject to the qualification that the role of any committee formed under the preceding provisions of this article shall be limited (except to the extent that the directors otherwise determine) to the issue of reports and recommendations for consideration by the board.

Nominations Committee

The directors shall establish a committee (referred to in these articles as “the Nominations Committee”) to make recommendations to Scottish Power in relation to the selection of appropriate individuals for appointment as Independent Directors.

The members of the Nominations Committee shall comprise:

1. one Member Director;

2. one Independent Director; and

3. two further individuals (not being directors of the company) with specialist expertise.

Subject to article 127 and 128, the composition and proceedings of the Nominations Committee shall be governed by such standing orders as may be issued by the directors from time to time.

In carrying out its functions, the Nominations Committee shall give effect to the following principles:

1. the Nominations Committee should set an appropriate skills matrix to guide it in selecting and evaluating appropriate candidates, and should review and adjust that skills matrix from time to time;

2. nominations for directors falling within the remit of the Nominations Committee should be sought from a range of appropriate sources;

3. all expressions of interest should be considered by the Nominations Committee; and
130.4 the Nominations Committee should maintain a register of suitable candidates for future reference.

Delegated Committee

131 The directors shall establish a committee (referred to in these articles as the “Delegated Committee”) to support the directors in relation to the provision of funding in furtherance of the Foundation’s objects.

132 Without prejudice to the generality of article 131, the Delegated Committee shall be delegated the power to receive, review, approve or reject, and execute the relevant documentation in respect of such category or categories of applications for funding as shall be specified in the terms of reference issued by the directors from time to time.

133 The members of the Delegated Committee shall comprise:

133.1 one Independent Director; and

133.2 one other director with relevant expertise.

134 In addition to the members of the Delegated Committee referred to in article 133, the directors shall appoint one individual who shall act as Secretary of the Delegated Committee.

135 Subject to articles 131 to 134, the composition and proceedings of the Delegated Committee shall be governed by such terms of reference and standing orders as may be issued by the directors from time to time.

Secretary

136 The directors may (notwithstanding the provisions of the Act) appoint a company secretary, and on the basis that the term of office, remuneration (if any), and other terms and conditions attaching to the appointment of the company secretary shall be as determined by the directors; the company secretary may be removed by the directors at any time.

137 The directors may from time to time appoint an assistant or deputy secretary, and any person so appointed may act in place of the secretary if there is no secretary, or no secretary capable of acting.

Minutes

138 The directors shall ensure that minutes are made of all proceedings at general meetings, meetings of the directors and meetings of committees of directors; a minute of a meeting of directors or of a committee of directors shall include the names of the directors present, and the minutes of each meeting shall be signed by the chairperson of that meeting.
Accounts

139 Accounting records shall be kept in accordance with all applicable statutory requirements and such accounting records shall, in particular, contain entries from day to day of all sums of money received and expended by the company and the matters in respect of which such receipt and expenditure take place and a record of the assets and liabilities of the company; such accounting records shall be open to inspection at all times by any director of the company.

140 The directors shall ensure that proper accounting records are maintained in accordance with all applicable statutory requirements.

141 The directors shall prepare annual accounts, complying with all relevant statutory requirements.

142 No member shall (as such) have any right of inspecting any accounting records or other book or document of the company except as conferred by statute or as authorised by the directors or by ordinary resolution of the company.

OSCR

143 The directors shall comply with their obligations under the Charities and Trustee Investment (Scotland) Act 2005 with regard to the preparation and submission of the annual return and accounts to OSCR.

Notices

144 Any notice to be given in pursuance of these articles shall be in writing.

145 The company may give any notice to a member in pursuance of these articles either personally or by sending it by post in a pre-paid envelope addressed to the member at its registered address or by leaving it at that address; alternatively, in the case of a member which has notified the company of an electronic address to be used for this purpose, the company may give any notice to that member by electronic means.

146 Any notice, if sent by post, shall be deemed to have been given at the expiry of twenty four hours after posting; for the purpose of proving that any notice was given, it shall be sufficient to prove that the envelope containing the notice was properly addressed and posted.

147 Any notice sent by electronic means shall be deemed to have been given at the expiry of 24 hours after it is sent; for the purpose of proving that any notice sent by electronic means was indeed sent, it shall be sufficient to provide any of the evidence referred to in the relevant guidance issued from time to time by the Chartered Institute of Secretaries and Administrators.

148 A member may give any notice to the company either by sending it by post in a pre-paid envelope addressed to the company at its registered office or by
leaving it, addressed to the company secretary, at the company's registered office.

149 A member present or represented at any meeting of the company shall be deemed to have received notice of the meeting and, where requisite, of the purposes for which it was called.

**Winding-up**

150 If on the winding-up of the company any property remains after satisfaction of all the company's debts and liabilities, such property shall be paid or transferred to Scottish Power to be used solely for a charitable purpose or charitable purposes.

151 To the extent that effect cannot be given to article 150, the relevant property shall be applied to some charitable purpose or purposes.

**Indemnity**

152 Every director or other officer or auditor of the company shall be indemnified (to the extent permitted by sections 232, 234, 235, 532 and 533 of the Act) out of the assets of the company against any loss or liability which he/she may sustain or incur in connection with the execution of the duties of his/her office including, without prejudice to that generality (but only to the extent permitted by those sections of the Act) any liability incurred by him/her in defending any proceedings, whether civil or criminal, in which judgment is given in his/her favour or in which he/she is acquitted or in connection with any application in which relief is granted to him/her by the court from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the company.

153 For the avoidance of doubt, the company shall be entitled (subject to the provisions of section 68A of the Charities and Trustee Investment (Scotland) Act 2005) to purchase and maintain insurance against any loss or liability which any director or other officer of the company may sustain or incur in connection with the execution of the duties of his/her office; and such insurance may (subject to the provisions of section 68A of the Charities and Trustee Investment (Scotland) Act 2005) extend to liabilities of the nature referred to in section 232(2) of the Act (negligence etc. of a director).
