

Video Title: Charity Champion Award - Fatima Mohammed, Linkes

Speaker: Why have we nominated Fatima? Well, what a lady she is. She's involved with all four or five different groups across the projects. She's involved with the food groups, involved with senior citizens, she's involved with the women's group, and she also acts as a support to the welfare group as well. She's on the go all the time, she's a lovely lady, a lovely nature round about her.

And one of the best things perhaps she's done, is that she's introduced lots of other people to the Linkes organisation, which is why we're here, to support people.
