

Video Title: Legacy Awards - Bendrigg Trust

Speaker: Each person leaves Bendrigg with an increased sense of belonging, of finding a place in the world where they feel valued for their abilities rather than dismissed because of their disabilities. I'll never forget a recent parent commented, "we normally feel as if we're being accommodated. At Bendrigg, we feel celebrated", and this is the true legacy of Bendrigg.

Everyone is affected. Our staff, our visitors, our volunteers, they all want to pass this feeling on to grow the inclusive community and encourage a ripple effect that goes far beyond Bendrigg's borders.
