CHAPTER I.- NATURE, PURPOSE AND APPROVAL OF THE TERMS OF REFERENCE

Article 1.- Nature and Purpose

1. In accordance with the provisions of the Articles of Association of Scottish Power Limited (the “**Company**”), the board of directors of the Company (the “**Board of Directors**”, a director thereof being a “**Director**”) have established the Audit and Compliance Committee (the “**Committee**”), a permanent internal body, having an informative and consultative role, without executive functions, with powers of information, assessment and presentation of proposals to the Board of Directors within its scope of action, which shall be governed by the Articles of Association of the Company and these Terms of Reference of the Committee (the “**Terms of Reference**”).
2. These Terms of Reference are based on the independence of the Committee and aim to develop its functions by establishing the principles of action and the internal operational regime of the Committee.
3. At the same time, taking into consideration the fact that the indirect sole shareholder of the Company, Iberdrola, S.A. (“**Iberdrola**”), is the listed holding company and controlling entity of the Iberdrola group, pursuant to Spanish law, to which the Company belongs (the “**Iberdrola Group**”), these Terms of Reference also aim to establish, as the Company is a sub-holding company of the Iberdrola Group, the framework of relationships and information exchange that is to exist between the Committee, the internal audit and compliance departments of the Company, the corresponding committees and divisions or units of Iberdrola, i.e. the Iberdrola Audit and Risk Supervision Committee (the “**Iberdrola Audit and Risk Supervision Committee**”) and, as the case may be, the corresponding committees and divisions or units of the head of business sub-holding companies of the ScottishPower Group (being, for the purposes of these Terms of Reference, the group whose controlling entity, within the meaning established by law, is the Company), with the purpose of, without compromising its independence, enabling the proper exercise of its functions in accordance with the law and internal corporate governance rules, safekeeping in all cases compliance with the regulations applicable to each company.

Article 2.- Approval, Amendment and Priority

1. These Terms of Reference or any amendment of the same must be approved by way of a resolution of the Board of Directors of the Company, on the proposal of the chair of the Board of Directors or the Chair of the Committee.
2. These Terms of Reference further develop and supplement the provisions of the Articles of Association of the Company and the terms of reference of the Board of Directors applicable to the Committee. In the event of any conflict, the provisions of the terms of reference of the Board of Directors shall prevail over these Terms of Reference, and in any case the Articles of Association of the Company shall prevail over the provisions of both.

CHAPTER II.- FUNCTIONS OF THE COMMITTEE

Article 3.- Functions

1. The Committee, as well as (in their relationships with the Committee) the ScottishPower internal audit department (the “**Internal Audit Department**”), the ScottishPower compliance division (the “**Compliance Division**”) and the ScottishPower unit or department responsible for risk management (the “**Risk Department**”), shall exercise their functions with full autonomy, but without prejudice to the provisions of article 4 below and the establishment of

an adequate framework for collaborating with and exchanging information regarding the development of their functions with the audit committees that may exist in any companies of the ScottishPower Group, as well as with the Iberdrola Audit and Risk Supervision Committee, the Iberdrola Internal Audit Department (the “**Iberdrola Internal Audit Department**”), the Iberdrola Compliance Unit, and the Iberdrola Risk Management and Internal Assurance Division.

The conclusions of the evaluation carried out by the Committee shall be submitted to the Board of Directors to be taken into consideration when determining the remuneration. The head of the Internal Audit Department shall also be informed of such conclusions.

- (vi) To receive regular information on the activities carried out by the Internal Audit Department, including as directed by the Chair of the Committee and also as requested by the chair of the Board of Directors. The head of the Internal Audit Department shall be the usual point of contact between the Committee and the rest of the Company except for risk or compliance matters or matters concerning compliance with statutory duties, good governance requirements and the prevention or correction of illegal or fraudulent conduct. The Committee may gather information and request the collaboration of any manager of the Company or of any of the Company's subsidiaries. Any such gathering of information and/or requests for collaboration shall also be notified to the chair of the Board of Directors and to the Chief Executive Officer, if there is one, but in any case without prejudice to the provisions of Article 15 below.

- (ii) To ensure, in accordance with the general monitoring and risk management policy established by Iberdrola, that the main risks of the Company and those of any of the Company's subsidiaries are identified, managed and adequately reported, identifying, on this basis, at least the different types of risks (e.g. operational, technological, financial, legal, climatic, social, reputational, etc.), including potential risks, which the Company and its subsidiaries may face, including financial or economic contingent liabilities and other off balance-sheet risks; the setting and reviewing of risks map and the level of risk that the Company deems acceptable; the measures necessary to mitigate the impact of any risks, should any of them materialise; and the information and internal monitoring systems which will be used to monitor and manage the aforementioned risks, including the contingent liabilities or off balance-sheet risks, periodically evaluating the effectiveness of the foregoing.
- (iii) To analyse, along with the auditors, the relevant weaknesses of the internal control system that may have been detected in the course of the audit of the Company, all without infringing the independence of any party. To this end, where appropriate, the Committee may submit recommendations or proposals to the Board of Directors and corresponding deadlines for their monitoring.
- (iv) To oversee the performance of and maintain appropriate relationships with the Risk Department and Compliance Division. The Risk Department and Compliance Division shall be the normal bodies for communication with the Committee and any other part of the Company on specific matters of risk and compliance respectively, as the Committee is responsible for preparing the information required on these issues at

Committee meetings, with the director of the Risk Department and the director of the Compliance Division attending them if the Committee so deems appropriate, but in any case without prejudice to the provisions of Article 15 below.

 - (vi) To make, at least every six months, a report regarding the internal control and risk management systems of the Company and its subsidiaries for the Board of Directors, which the Chair of the Committee, in the framework of the information and coordination relationships of the Iberdrola Group, will make available to the chair of the Iberdrola Audit and Risk Supervision Committee, in accordance with the *General Framework of Relations of Coordination and Information Among the Audit Committees of Iberdrola and its Group* ("**General Framework**"), in order to allow that committee to fulfill its duties relating to the internal control of the Iberdrola Group as well as its risk management systems.
