

Video Title: Why ScottishPower.

Taylor ScottishPower Graduate:

The Scottish Power graduate program has been fantastic for learning for me. I've been introduced to a wide network of graduates and friends .

Rebekah ScottishPower Graduate:

Every day that I come in to work I'm surrounded by experts. I can't fail to learn Something new.

Jordan ScottishPower Graduate:

Working for Scottish Power is great because it gives you the opportunity to work in some of the world's largest engineering projects .

Ruairidh ScottishPower Graduate:

At Scottish Power you can just be yourself. I always enjoyed problem-solving in school and I was good at maths and physics so I decided engineer was the place to go.

Jordan ScottishPower Graduate:

I'm a hands on practical learner - that's why this career is perfect for me.

Taylor ScottishPower Graduate:

I'm passionate about learning on the job and always looking to interact with people and interactive activities.

Rebekah ScottishPower Graduate:

This is a really exciting time to be joining ScottishPower - there's plenty of opportunities to dig your teeth into. The Scottish Power graduate scheme will help me build a foundation so that I can take my career in any direction within the Energy Industry.

Jordan ScottishPower Graduate:

Scottish Power is a massive company and I've already been involved in a number of exciting projects.

Taylor ScottishPower Graduate:

As someone just out of university it's exciting to be working with the new technologies that was only recently just studying.

Ruairidh ScottishPower Graduate:

At the end of the day it's all about the customer and I really like that.

Jordan ScottishPower Graduate:

It's an exciting thing to join Scottish power and build our future .

Taylor ScottishPower Graduate:

I'm really proud of the work I do and the future I'm helping to create.

Rebekah ScottishPower Graduate:

The future for people like me is really exciting.

Ruairidh ScottishPower Graduate:

Together we're building a better future quicker.

All Graduates speak together:

Be part of our future.
