- 19.3. The Supplier shall provide such information as the Company may reasonably request from time to time to evidence and/or demonstrate the Supplier's compliance with the terms of this Clause 19 and/or the Data Protection Requirements.
- 19.4. Words and phrases which are defined in the applicable Data Protection Legislation shall (unless the context requires otherwise) have the same meanings in this Clause 19.
- 19.5. The Company reserves the right to notify the Supplier, at any time and from time to time, of any amendments and/or additions to this Agreement that the Company (in its sole discretion) considers are necessary and/or appropriate in order to (a) enable, ensure and/or facilitate the Company's (and/or any ScottishPower Group Company's) compliance with the Data Protection Legislation and/or (b) ensure that the terms of this Agreement provide the Company (and the ScottishPower Group Companies) with

adequate rights and protections in relation to the Supplier's Processing of ScottishPower Personal Data, having regard to the terms of any Data Protection Legislation. 20.1.2. all information created, developed or formulated from any of the information referred to in Clause 20.1.1.

together, the "**Company Confidential Information**".

20.3. In particular, the Supplier and its Permitted Disclosees (as defined below) may have access to commercially sensitive information which could entail a competitive advantage to companies dedicated to the generation, distribution, transmission and/or supply of electricity or gas in Great Britain. Therefore, unless the Company expressly advises the Supplier otherwise, the disclosure of such information by the Supplier and/or any of its Permitted Disclosees to any of these companies (whether or not they belong to the ScottishPower Group) is prohibited. The purpose of this Clause 20.3 is to comply with the provisions of the Code of Incompatible Activities for the Iberdrola Group companies with regulated activities published on the www.iberdrola.com corporate website.

20.4. The following will not be considered Company Confidential Information:

20.4.1. if it is in the public domain on the disclosure date by the Company or later becomes so without any non-compliance with this Clause 20.4 on the part of the Supplier;

legally possible, the disclosure of such Company Confidential Information and the breach of the terms of this Clause 20.

- 20.6. If due to constraints on timescales, the Company is unable to prevent the disclosure of any Company Confidential Information in the circumstances described in Clause 20.5, the Supplier shall provide the relevant authority in question only with that part of the Company Confidential Information that, in the opinion of its legal advisers, it is obliged to disclose, and will use its best efforts to treat the Company Confidential Information disclosed confidentially, informing the Company of the exact part of the Company Confidential Information disclosed. In the absence of specific instruction by the competent authority regarding the part of the Company Confidential Information that must be disclosed by legal imperative, any decision on this must be taken by the Supplier after consultation with the Company.
- 20.7. The Supplier guarantees and undertakes (i) that the Company Confidential Information to which it and/or its Permitted Disclosees (as defined below) has access will be protected with adequate security measures to prevent the Company Confidential Information from being disclosed to third parties, including, but not limited to, in accordance with the provisions of Information Security Requirements (if any); and (ii) that it shall have and shall ensure that its Permitted Disclosees exercise the degree of care and take the actions necessary to comply with the confidentiality obligations imposed under this Clause 20.
- 20.8. The Supplier shall be liable for any breach of the confidentiality obligations set forth in this Agreement by any of its shareholders, administrators, Personnel, assignees, subcontractors or professional advisers (referred to in this Clause 20 as its "**Permitted Disclosees**") who have had access to the Company Confidential Information. The Company reserves the right to take pertinent legal actions to defend its interests regarding the breach of confidentiality.
- 20.9. The Supplier will indemnify the Company for all losses, claims damages, expenses and costs suffered or incurred by the Company and/or any ScottishPower Group Company arising directly or indirectly from the breach by the Supplier and/or by any of its Permitted Disclosees of the confidentiality obligations provided for in this Clause 20 or the disclosure or unauthorised use of the Company Confidential Information.
- 20.10. At the Company's request, the Supplier shall procure that any Supplier Personnel identified by the Company from time to time execute(s) a confidentiality undertaking directly for the Company's benefit, in the form prescribed by the Company.
- 20.11. Except to the extent set out in this Clause 20 or where disclosure is expressly permitted elsewhere in this Agreement, the Company shall treat all confidential and commercially sensitive information relating to the Supplier's proprietary products, services and/or prices ("**Supplier Confidential Information**") as confidential and shall safeguard it accordingly and the Company shall not disclose the Supplier Confidential Information to any other person without the Supplier's prior written consent.
- 20.12. The following will not be considered Supplier Confidential Information:
- 20.12.1. if it is in the public domain on the disclosure date by the Supplier or later becomes so without any non-compliance with Clause 20.11 on the part of the Company;

- 20.12.4. if it is developed independently by the Company, or any ScottishPower Group Company, without using Supplier Confidential Information.
- 20.13. Without prejudice to Clause 20.12, Clause 20.11 shall not prevent the Company (and/or any ScottishPower Group Company) from disclosing all or any part of the Supplier Confidential Information to such of the Company's (and/or any ScottishPower Group Company's) officers, employees, suppliers, contractors and/or agents as require to have access to such Supplier Confidential Information in order for the Company (and/or any ScottishPower Group Company) to receive and/or utilise any of the Goods and/or the benefit of all or any part of the Goods, the Deliverables, the Services and/or this Agreement.

24. TERMINATION RIGHTS

- 24.1. The Company may terminate all or any part of this Agreement (or any part of the Services) immediately (or on such period of notice as the Company, in its sole discretion, may specify in its notice to the Supplier) and without any liability to the Supplier by giving written notice of termination to the Supplier if:

 - 24.1.14. it is expressly entitled to do so pursuant to any provision of this Agreement.
- 24.2. The Supplier may terminate the entire Agreement (including the Core Services and all Work Instructions) immediately by giving written notice of termination to the Company if:

Clause 24.2 shall not apply to non-payment of the Charges by the Company where such non-payment is due to the Company exercising its rights to withhold and/or set-off Charges in accordance with this Agreement; and/or

- 24.2.2. an Insolvency Event occurs in relation to the Company.
- 24.3. Without prejudice to Clause 24.1, the Company may terminate the entire Agreement (including all Work Instructions) without liability to the Supplier at any time on providing not less than twenty-five (25) Working Days notice to the Supplier.
- 24.4. Without prejudice to Clause 24.1, the Company may terminate all or any part of the Core Services and/or all or any part of any specific Work Instruction(s) without liability to the Supplier at any time on providing not less than ten (10) Working Days notice to the Supplier.

- 24.6. The Supplier acknowledges and agrees that, in any circumstances where the Company is entitled to terminate all or part of this Agreement and/or any Work Instruction pursuant to this Clause 24, the Company may (at the Company's sole option and with effect from such date as the Company may notify to the Supplier) suspend the Supplier's performance of all or any part of the Services for such period as the Company considers appropriate. The Parties agree that:

- 24.6.2. in the event that the Company exercises its rights pursuant to this Clause 24.6, the Supplier shall not be entitled to payment of any Charges (or any other fees, charges and/or expenses) in respect of any Services that are suspended (the "Suspended Services") during the relevant period of suspension; and
- 24.6.3. the Supplier shall re-commence performance of the Suspended Services with effect from the relevant date (if any) notified to it by the Company.
- 24.7. For the avoidance of any doubt:
- 24.7.1. where the Company terminates the Core Services and/or any one or more Work Instructions pursuant to Clause 24.1 and/or Clause 24.4, this shall not affect the continuance in full force and effect of the remainder of this Agreement and any other Work Instruction;
- 24.7.2. where the Company or the Supplier terminates the entire Agreement in accordance with the terms of this Clause 24, the Core Services and all Work Instructions shall also terminate with effect from the date of termination of the entire Agreement (except to the extent that the Company may notify the Supplier to the contrary in writing); and
- 24.7.3. the Company shall not be obliged to make any payments to the Supplier as a result of or in connection with the suspension, termination or expiry of all or part of this Agreement, except to the extent expressly provided for in this Clause 24.

25. CONSEQUENCES OF TERMINATION

- 25.1. If required by the Company, the Supplier shall provide (at no cost to the Company) such reasonable assistance and information as the Company may request in connection with termination of this Agreement and/or any Work Instruction, including, without limitation, any assistance and/or support as the Company may require in connection with (i) the orderly handover of responsibility for provision of services that are the same as or similar to the Services to any ScottishPower Group Company and/or replacement service provider and/or (ii) the continued supply of the services that are the same as or similar to the Services following termination or expiry of this Agreement (in whole or in part), in each case with the minimum of disruption to the business of the Company.
- 25.2. Without prejudice to the terms of Clause 25.3, the Parties do not intend that expiry or termination of all or any part of this Agreement, the Services and/or any Work Instruction (for whatever reason) shall give rise to a relevant transfer pursuant to the Employment Regulations.
- 25.3. The Supplier shall indemnify and keep indemnified (i) the Company and (ii) each and any ScottishPower Group Company and/or replacement supplier (either, at the option of the Company, directly or through the Company as agent or trustee for the relevant ScottishPower Group Company and/or replacement supplier) on demand from and against all Employee Liabilities, losses, costs, claims, demands, awards, damages, expenses (including, but not limited to, legal fees) and/or any other liabilities which the Company, any ScottishPower Group Company and/or any replacement supplier (as the case may be) suffers or incurs at any time in connection with any Supplier Personnel (or former Supplier Personnel) whether arising before, on or after expiry or termination of all or any part of this Agreement, the Services and/or any Work Instruction (for whatever reason). The scope of the indemnity granted by the Supplier under this Clause 25.3 shall include, but not be limited to, all Employee Liabilities which the Company, any ScottishPower Group Company and/or any replacement supplier (as the case may be) suffers or incurs at any time in connection with:
- 25.3.1. any claim that is made by any Supplier Personnel against the Company, any ScottishPower Group Company and/or any replacement supplier (as the case may be) during the period of their employment or engagement by the Supplier and/or any sub-contractor of the Supplier;
- 25.3.2. any claim by any Supplier Personnel (or former Supplier Personnel) that their contract of employment has transferred to the Company, any ScottishPower Group Company and/or any replacement supplier by operation of the Employment Regulations;
- 25.3.3. any period prior to the date on which the contract of employment of any Supplier Personnel (or former Supplier Personnel) was transferred to the Company, any ScottishPower Group Company and/or any replacement supplier by operation of the Employment Regulations; and/or
- 25.3.4. the employment and/or the termination of any contract of employment of any Supplier Personnel (or former Supplier Personnel) by the Company, any ScottishPower Group Company or any replacement supplier (as the case may be), including, but not limited to, any amounts paid or payable to any such person in connection with the termination of their employment and/or in connection with their employment up to the date of termination of their employment.
- 25.4. In the event that the Company is notified or otherwise becomes aware or suspects that, notwithstanding the terms of Clause 25.2, the contracts of employment of any Supplier Personnel will or may transfer to the Company, any ScottishPower Group Company

and/or any replacement supplier by operation of the Employment Regulations at any time, the Supplier represents, warrants and undertakes to the Company that:

- 25.4.1. it will provide to the Company (within five (5) Working Days of each such request by the Company and in such form as the Company may require) all information that may be requested by the Company in connection with the Supplier Personnel (including, but not limited to, details of their job title and role, the time spent by them in performing the Services, age, period of employment/engagement, employment status, identity of their employer, contractual notice periods and any other terms relating to termination of employment (including redundancy procedures/payments), wages, salaries, pensions and any other employment-related benefits, any outstanding or potential claims or other liabilities relating to them and whether they are on long term absence) and copies of all relevant documents and materials relating to such information, including copies of relevant contracts of employment;
 - 25.4.2. all information provided by the Supplier pursuant to Clause 25.4.1 shall be true and accurate as at the date it is provided. The Supplier acknowledges and agrees that the Company may disclose all or any part of the information provided by the Supplier pursuant to Clause 25.4.1 to any replacement supplier or potential replacement supplier (whether as part of a tender exercise or otherwise);
 - 25.4.3. it will comply with the terms of the Employment Regulations in connection with the transfer or potential transfer of the contracts of employment of any Supplier Personnel to the Company, any ScottishPower Group Company and/or any replacement supplier; and
 - 25.4.4. it will provide such information, access, co-operation and assistance as the Company may require to enable and/or assist the Company, any ScottishPower Group Company and/or any replacement supplier to comply with their respective obligations and/or responsibilities under and/or in connection with the Employment Regulations.
- 25.5. The Supplier acknowledges and agrees that the terms of Clause 25.4 are without prejudice to (and do not exclude, restrict, limit or otherwise affect) the scope, nature and/or extent of the Supplier's obligations and/or liabilities under and/or pursuant to Clause 25.3.
- 25.6. On termination or expiry of this Agreement for whatever reason:
- 25.6.1. except where expressly stated to the contrary in this Agreement, the Supplier shall immediately cease using and shall return to the Company all (or such part) of the Company Confidential Information which is in its possession (and the Supplier shall ensure that all of the Supplier Personnel do the same);
 - 25.6.2. the Supplier shall immediately cease using and shall return or destroy (at the Company's option) all material and information which it possesses or controls and was supplied to it by or on behalf of the Company and/or any ScottishPower Group Company in connection with this Agreement (and the Supplier shall ensure that all of the Supplier Personnel do the same).
- 25.7. Except as expressly stated to the contrary in this Agreement, the termination of this Agreement or its expiry for whatever reason shall not prejudice or affect any accrued rights or remedies of either Party.
- 25.8. The termination or expiry of this Agreement for whatever reason shall not affect the coming into force or continuation in force of any provision of this Agreement which is

expressly or by implication intended to come into or continue in force on or after such termination or expiry and, without prejudice to the foregoing generality, the provisions of Clauses 1.2 to 1.11, 5.4, 7, 8.7, 8.8, 8.10, 10, 11, 15, 18, 19, 20, 21, 22, 23, 25, 28, 29, 30, 31, 32, 33, 34, 35, 36 and 38, together with the relevant referring provisions of Clause 1.1 and the relevant referring provisions of the Schedule and the Annexes.

26. FORCE MAJEURE

- 26.1. Subject to the remaining provisions of this Clause 26, a Party may claim relief from liability for non-performance of its obligations if and only to the extent that this is due to a Force Majeure Event affecting that Party (the "Affected Party").
- 26.2. The Affected Party shall immediately give the other Party written notice of any claim that a Force Majeure Event has occurred. The notification shall include full details of the Force Majeure Event together with evidence of its effect on the obligations of the Affected Party, and the action the Affected Party proposes to take to mitigate its effect.
- 26.3. As soon as practicable following the Affected Party's notification, the Parties shall consult with each other in good faith and the Affected Party shall use all reasonable endeavours to mitigate the effects of the Force Majeure Event and to facilitate the continued performance of this Agreement. Where the Supplier is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.
- 26.4. The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Agreement. Following such notification, this Agreement shall continue to be performed on the terms existing immediately before the occurrence of the Force Majeure Event unless agreed otherwise by the Parties.
- 26.5. The Affected Party shall not be entitled to relief under this Clause 26 to the extent that it has caused or has substantially contributed to any delay or failure in the performance of its obligations, including any failure to place orders or issue instructions when it ought reasonably to have done so.
- 26.6. Notwithstanding any other provision in this Agreement, the Supplier: (i) agrees that it has entered into this Agreement with full knowledge of and having taken into account the existence, effect and impact of COVID-19, including the measures adopted by acts of government, local government and Regulatory Bodies in relation to this as at the date of this Agreement; (ii) hereby warrants and represents to the Company that COVID-19 does not and will not affect the completion in full of the Supplier's obligations under this Agreement; and (iii) agrees that COVID-19 shall not give rise to, and shall not be considered, a Force Majeure Event for the purposes of this Agreement.

27. ALIENATION

- 27.1. The Supplier shall not be permitted to assign, novate, sub-contract or otherwise dispose of or create any trust in relation to any or all of its rights and/or obligations under this Agreement without the prior written consent of the Company.
- 27.2. The Company may, by written notice to the Supplier (and without the Supplier's consent), sub-contract, assign, novate or otherwise dispose of any or all of its rights and/or obligations under this Agreement to any other ScottishPower Group Company. The Company may, by written notice to the Supplier, sub-contract, assign, novate or otherwise dispose of any or all of its rights and/or obligations under this Agreement to any other party with the prior written consent of the Supplier (such consent not to be unreasonably withheld or delayed).

- 27.3. Following receipt of notice from the Company under Clause 27.2, the Supplier shall expeditiously execute all forms, agreements and/or other documentation necessary for the sub-contracting, novation, disposal, transfer or assignment/assignation of the Company's rights and/or obligations under this Agreement in accordance with the notice provided by the Company under Clause 27.2.
- 27.4. Without prejudice to Clause 27.3, the Supplier hereby appoints the Company to be its attorney to execute and do any such instrument or thing, and generally to use its name, for the purpose of giving the Company the benefit of Clause 27.2 and effecting any sub-contract, assignation or assignment, novation, disposal or other instrument of transfer required by the Company under Clause 27.3. The Supplier acknowledges that a certificate in writing signed by the Company that any instrument or act falls within the authority conferred by this Clause 27.4 shall be conclusive evidence of such authority.
- 27.5. In the event that the Company provides its prior written consent to any proposed sub-contracting by the Supplier in accordance with Clause 27.1, the Supplier acknowledges and agrees that such consent shall not relieve the Supplier from any of its obligations under and/or pursuant to this Agreement and the Supplier shall remain responsible for all acts and omissions of its permitted sub-contractors and all Supplier Personnel, whose acts and omissions shall be deemed to be acts and omissions of the Supplier. An obligation on the Supplier under and/or pursuant to this Agreement to do, or to refrain from doing, any act or thing shall include an obligation upon the Supplier to procure that all Supplier Personnel also do, or refrain from doing, such act or thing.
- 27.6. The Supplier acknowledges and agrees that (in defence of any claims or proceedings raised under this Agreement or otherwise) it shall not be entitled to contend that its liability under and/or pursuant to this Agreement and/or at law is excluded, reduced or otherwise affected on the grounds that any person acquiring an interest in this Agreement pursuant to Clause 27.2 was not an original party to this Agreement.

28. WAIVER AND CUMULATIVE REMEDIES

- 28.1. Any failure to exercise or any delay in exercising a right or remedy by a Party shall not constitute and/or be construed as a waiver of that right or remedy or of any other rights or remedies. The rights and remedies provided to a Party under and/or pursuant to this Agreement may be waived only by written notice by the relevant Party to the other Party in a manner that expressly states that a waiver is intended, and such waiver shall only be operative with regard to the specific circumstances referred to in the notice.
- 28.2. Unless any of the Company's rights or remedies under and/or pursuant to this Agreement are expressly stated to be an exclusive right or remedy, the exercise of such rights and remedies shall be without prejudice to Company's other rights and remedies.
- 28.3. The Company's rights and remedies provided by this Agreement are cumulative and, unless otherwise provided in this Agreement, are not exclusive of any right or remedies provided at law or otherwise under this Agreement. For the avoidance of any doubt, and unless expressly stated to the contrary in this Agreement, no approval, comment, instruction, inspection, statement, notice, consent, advice, action or inaction from or by or on behalf of the Company shall in any way release the Supplier from its obligations under this Agreement and/or limit or discharge the liability of the Supplier to the Company.

29. RELATIONSHIP OF THE PARTIES

Each Party is an independent operator and nothing in this Agreement is intended to (i) create a relationship of employment, partnership or joint venture between the Parties or any other legal relationship of any kind that would impose liability upon one Party for the act or failure to act of the other Party or (ii) authorise either Party to act as agent for the other. The Supplier shall not have the authority to make representations for the Company, act in the name or on behalf of the

Company or otherwise bind the Company, and shall not hold itself out as having any such authority.

30. SEVERANCE

If any provision of this Agreement is held invalid, illegal or unenforceable for any reason by any court or administrative body of competent jurisdiction, such provision shall be severed without effect to the remaining provisions of this Agreement that are not affected by such invalidity, illegality or unenforceability. If a provision of this Agreement is held to any extent to be invalid, illegal or unenforceable, the Parties shall immediately commence good faith negotiations to remedy that invalidity and to agree any appropriate alternative provisions which achieve, to the greatest extent possible, the economic, legal and commercial objectives of the invalid, illegal or unenforceable provision(s).

31. FURTHER ASSURANCES

The Supplier undertakes to the Company that at the request of the Company it shall do all acts and execute all documents which may be necessary to give effect to the meaning and intent of this Agreement.

32. ENTIRE AGREEMENT

32.1. This Agreement, together with the Work Instructions and any other documents expressly referred to and incorporated into it constitute the entire agreement and understanding between the Parties in respect of the subject matter of this Agreement and supersedes, cancels and nullifies any previous agreement between the Parties in relation to that subject matter. For the avoidance of any doubt, this Agreement supersedes (i) any terms and conditions that the Supplier may propose or have proposed, at any time, to apply to the subject matter of this Agreement and/or any of the Services and (ii) any terms and conditions that are annexed to any purchase order issued by the Company in connection with this Agreement and/or any of the Services.

32.2. No purported amendment to this Agreement shall be effective unless and until it is set out in a written document that is signed by authorised representatives of both Parties, which, in the case of the Company, shall require signature by two authorised representatives of the Company. No term, condition, limitation, or restriction on use or reliance or assignation or transfer contained in or incorporated into any reports, quotations, or other communications issued by or on behalf of the Supplier shall be valid save to the extent that the same has been expressly incorporated into the terms of this Agreement.

33. THIRD PARTY RIGHTS

33.1. This Agreement is entered into by the Company for its own benefit and for the benefit of all of the ScottishPower Group Companies. The Parties agree that:

33.1.1. each ScottishPower Group Company shall have the benefit of (and may rely on and enforce) the terms of this Agreement as if it were a party to this Agreement, including, but not limited to, the benefit of all licences, warranties, undertakings and indemnities granted in favour of the Company under this Agreement;

33.1.2. the Company shall be entitled to enforce the relevant terms of this Agreement on behalf of any ScottishPower Group Company, and to recover any Losses suffered and/or incurred by any ScottishPower Group Company in connection with this Agreement on behalf of any ScottishPower Group Company;

33.1.3. each ScottishPower Group Company shall also be entitled to rely on and enforce the terms of this Agreement as if it were a party to this Agreement,

provided that there shall be no double-recovery of the same Losses by both the Company and any other ScottishPower Group Company pursuant to this Clause 33.1; and

- 33.1.4. any Losses suffered or incurred by any ScottishPower Group Company will not be treated as being indirect, special or consequential in terms of Clause 22.4 simply because they have been suffered or incurred by a ScottishPower Group Company and not by the Company directly.
- 33.2. Subject to Clause 25.3 and Clause 33.1, a person who is not a party to this Agreement has no right to enforce any term of this Agreement and nothing in this Agreement shall confer on any third party any benefit and/or the right to enforce any term of this Agreement, whether pursuant to the Contract (Third Party Rights) (Scotland) Act 2017, the Contract (Rights of Third Parties) Act 1999 or otherwise.
- 33.3. For the avoidance of any doubt, the Parties may agree to alter, vary, terminate or rescind this Agreement (in accordance with its terms) without the consent of any third party.

34. NOTICES

- 34.1. Any notice or other communication required to be given to a party under or in connection with this Agreement must be in writing and must be delivered to the other party personally or sent by prepaid first-class post, recorded delivery post or by commercial courier, to the address notified by the relevant Party for the purposes of this Clause 34. If no address has been so notified by a Party for the purposes of this Clause 34, notices shall be sent to the Party's registered office (if a company) or (in any other case) its principal place of business of the other Party. Any notice sent by post or commercial courier shall be deemed to have been received on the second Working Day after despatch and any notice delivered personally shall be deemed to have been received on the first Working Day after delivery.
- 34.2. In proving service, it shall be sufficient to prove that the envelope containing the notice was addressed to the relevant Party at the relevant address pursuant to Clause 34.1 and delivered either to that address or into the custody of the postal authorities or the relevant commercial courier (as applicable) as pre-paid first class post, recorded delivery post or for commercial courier delivery pursuant to Clause 34.1.
- 34.3. For the purposes of this Clause 34, "writing" shall not include e-mails and, for the avoidance of doubt, notice given under this Agreement shall not be validly served if sent by e-mail.

35. PREVENTION OF CORRUPTION

- 35.1. Each Party shall:
- 35.1.1. comply with all applicable laws, regulations, codes and guidance relating to anti-bribery and anti-corruption, including but not limited to the Bribery Act 2010 ("Relevant Requirements"); and
- 35.1.2. have and shall maintain in place throughout the term of this Agreement, and enforce where appropriate, its own policies and procedures to comply with the Relevant Requirements, including but not limited to adequate procedures under the Bribery Act 2010.
- 35.2. The Supplier shall:
- 35.2.1. promptly report to the Company any request or demand for any undue financial or other advantage of any kind received by the Supplier in connection with the performance of this Agreement; and

- 35.3. The Supplier shall not:
- 35.3.1. offer or agree to give any person working for or engaged by the Company or any other ScottishPower Group Company any gift or other consideration which could act as an inducement or a reward for any act or failure to act connected to this Agreement, or any other agreement between the Supplier and the Company or any ScottishPower Group Company, including its award to the Supplier and any of the rights and obligations contained within it; nor
- 35.3.2. enter into this Agreement if it has knowledge that, in connection with it, any money has been, or shall be, paid to any person working for or engaged by the Company or any other ScottishPower Group Company by or for the Supplier, or that an agreement has been reached to that effect, unless details of any such arrangement have been disclosed in writing to the Company and has been approved by the Company before execution of this Agreement.
- 35.4. The Supplier shall ensure that any person associated with the Supplier who is performing Services in connection with this Agreement does so only on the basis of a written contract which imposes on and secures from such person terms equivalent to those imposed on the Supplier in this Clause 35 and the Supplier shall ensure the compliance by such persons with such terms.
- 35.5. In the event of a breach of this Clause 35 by the Supplier, the Company may (without prejudice to its other rights under this Agreement and/or at law):
- 35.5.1. terminate this Agreement immediately by written notice, and/or
- 35.5.2. withhold payment of all or any part of the Charges; and/or
- 35.5.3. suspend this Agreement at any time and without liability for such time period as required by the Company.
- 35.6. The Supplier shall indemnify and keep indemnified the Company and all ScottishPower Group Companies from and against all Losses, liabilities, damages, judgements, penalties, fines, costs, charges and expenses (including legal expenses) incurred by reason of any breach of this Clause 35 by the Supplier or any of the Supplier Personnel. This Clause 35.6 shall apply irrespective of cause and notwithstanding the negligence or breach of duty (whether statutory or otherwise) of the Supplier and/or any person working for the Supplier and/or any third party retained by the Supplier.
- 35.7. For the purpose of this Clause 35, the meaning of adequate procedures and foreign public official and whether a person is associated with another person shall be determined in accordance with section 7(2) of the Bribery Act 2010 (and any guidance issued under section 9 of that Act), sections 6(5) and 6(6) of that Act and section 8 of that Act respectively. For the purposes of this Clause 35 a person associated with the Supplier includes but is not limited to any subcontractor or agent of the Supplier.
- 35.8. Notwithstanding the terms of Clause 18 (Disputes), any Dispute relating to the interpretation of this Clause 35 shall be determined solely by the Company and the Company's decision shall be final and conclusive except in the event of manifest error.

36. PREVENTION OF MODERN SLAVERY

- 36.1. The Supplier represents and warrants to the Company that:
- 36.1.1. it has not been and is not engaged in any practices involving the use of child labour, forced labour, the exploitation of vulnerable people, or human trafficking, including any activity or practice that would constitute an offence under s.1, s.2 and s.4 of the Modern Slavery Act 2015, if carried out in the UK ("slavery and human trafficking");

 - 36.1.5. it will respond to all reasonable requests for information required by the Company for the purposes of completing the Company's annual anti-slavery and human trafficking statement.
- 36.2. The Supplier will permit the Company and its third party representatives, on reasonable notice during normal business hours, but without notice if there are reasonable grounds to suspect an instance of slavery and human trafficking, to access and take copies of records and any other information held at the premises and to meet with personnel and more generally to audit compliance with its obligations under this Clause 36. The Supplier shall give all necessary assistance to the conduct of such audits during the term of this Agreement.
- 36.3. Any instances of slavery and human trafficking connected to the Supplier will entitle the Company to immediately terminate this Agreement on providing notice to the Supplier (and without any liability by the Company to the Supplier).

37. COUNTERPARTS

- 37.1. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall constitute a duplicate original, but all the counterparts shall together constitute the one Agreement.

38. GOVERNING LAW AND JURISDICTION

- 38.1. This Agreement shall be governed by and construed in accordance with the laws of Scotland and, without prejudice to the terms of Clause 18 (Disputes), each Party hereby irrevocably submits to the exclusive jurisdiction of the Scottish Courts as regards any claim or matter arising out of or in connection with this Agreement including any question or difference concerning the construction, meaning or effect of this Agreement or the rights and liabilities of the Parties under this Agreement.

The Parties acknowledge and agree that, except as expressly stated to the contrary in this Agreement, neither Party shall acquire any title, right or interest in or to the other Party's Background IPRs under and/or pursuant to this Agreement. Where a Party acquires, by operation of law, title to Intellectual Property Rights that is inconsistent with the allocation of title set out in this Schedule Part 4, it hereby assigns (by way of present and future assignment or assignation (as applicable)) its entire title in and to such Intellectual Property Rights as it may have acquired to the other Party.
- 2.2. The Supplier hereby assigns to the Company, with full title guarantee and absolute warrandice, title to and all rights and interest in the Foreground IPRs, or shall procure that the first owner of the Foreground IPRs assigns title to and all rights and interest in the Foreground IPRs to the Company on the same basis. These systems, both those housed within the facilities as well as those that are cloud-based, be they proprietary or third-party, in any manner, are comprised of hardware and software for processing (creating, accessing, modifying and destroying), storing (on magnetic, electronic or other formats) and sending (shared use and distribution) information, or any combination of said elements that include any type of electronic device such as, without limitation, standard computers (desktop/laptop) with internet connections, digital storage methods used on computers (e.g. hard drives), mobiles, smartphones, personal digital assistants, data storage media, digital and video cameras (including CCTV), GPS systems, etc.

"Protected Information" means any information created, received, transmitted or stored that by its nature or value to the Company and/or any ScottishPower Group Company requires reinforced protection measures, including but not limited to Confidential Information, private or secret information, personal data, credit card data, commercially sensitive information, critical infrastructure information, strategic business information, credentials, encryption data, system and application access logs, or any other information that may be affected by a regulation.

1.2 In the case of subcontracting by the Supplier duly authorised by the Company, the Supplier undertakes that the sub-contractor shall assume the same obligations assumed by the Supplier under this Annex D, and in any case, the Supplier shall be liable for any breach by the sub-contractor or its personnel of the obligations established here concerning cyber-security and information security.

1.3 In the event that the data or information related to the Agreement are the property of the Company and/or any ScottishPower Group Company or if the Cyber-infrastructure elements are provided to the Supplier by the Company and/or any ScottishPower Group Company, the Supplier shall process and utilise it for the sole purpose of fulfilling the obligations contained within the Agreement and for no other purpose whatsoever.

The Supplier is also not authorised to provide the capacity to decrypt encrypted passwords. Should intervention by a third party be necessary, express written authorisation from the Company indicating its purpose must be obtained, and the third party will be required to fulfil the same obligations that are required of the Supplier.

- 1.7 If, in order to fulfil the object of the Agreement, the Company makes available to the Supplier's Personnel or its subcontractors any electronic devices or other computerised media or resources, or it provides a Company email account or credentials for accessing applications, internet connectivity, or other Cyber-infrastructure elements of the Company, the Supplier shall be responsible for ensuring that said Personnel and subcontractors knowing about and expressly committing to complying with the security and acceptable use conditions established by the Company, which shall be provided in a separate appendix. The connection with the Supplier's network shall be removed as soon as there is no need for it.
- 1.10 As a general rule, direct user connections from the Supplier to the Company's network are not permitted. If necessary, they will set up only after the Company has authorised it and only for the agreed upon duration.
- 1.11 If the Agreement is fully or partially carried out at the Supplier's facilities, the Supplier must establish the mechanisms and procedures for physical access to said facilities so as to prevent unauthorised personnel from accessing the infrastructure elements or Protected Information during the time in which the Supplier has access to Protected Information.

 - 1.13.2 the same security measures shall apply to backups as to the original data;
 - 1.13.3 in the event access has been expressly authorised by the Company to use the Supplier's own computing equipment for accessing the Company's and/or any ScottishPower Group Company's Cyber-infrastructure, the Supplier shall guarantee

and undertake that there are adequate security measures to protect the stationary or portable computing equipment and mobile devices used to access such Cyber-infrastructure or for storing, processing or transmitting the Protected Information, including but not limited to:

- 1.15 The Supplier shall establish adequate procedures to guarantee protection against loss or unauthorised processing of files, media and paper documents containing information related to the Agreement and guarantee that they are destroyed when the reasons for their creation no longer apply. Extracting data from a file and putting it on a server or delivering it electronically is considered equivalent to the computer media for the purposes of complying with these measures.

- 1.17 The Supplier shall include security measures appropriate to the nature of the information processed in developing, maintaining and testing the equipment that will be used in fulfilling the Agreement. The Supplier will adopt secure code development standards and ensure that no real data is used in test environments. If absolutely necessary, the Company's express authorisation will be required and the same measures specified for performing the work included in the Agreement will be applied to these environments.
- 1.18 Should the Agreement include the supply of equipment and/or materials, the Supplier shall prove that best security practices and standards have been applied for the design, fabrication, maintenance, and, where applicable, installation of the supplied material, including its components. For any such equipment and/or materials with information processing capacity or network connectivity options:
