

REMIT Fact Sheet

This fact sheet contains information on standing data in relation to our wind output and gas storage assets, including some additional explanatory notes on the information that is published on the REMIT websites.

Section 1: Standing Data

Published in accordance with Article 4(1) of REMIT and Article 17(2) of MAR

WIND ASSETS

Asset Name	BMU ID	Fuel Type	TEC (MW)	Unit Capacity (MW)	Additional Information
Whitelee	T_WHILW-1	Onshore Wind	305		
Kilgallioch	T_KLGLW-1	Onshore Wind	228		
Whitelee Extension	T_WHILW-2	Onshore Wind	206		
Harestanes	T_HRSTW-1	Onshore Wind	125		
Blacklaw	T_BLLA-1	Onshore Wind	118		
Arcleoch	T_ARCHW-1	Onshore Wind	114		
West of Duddon Sands		Offshore Wind	382		Joint Venture with Ørsted
	T_WDNSO-1	Offshore Wind		191	
	T_WDNSO-2	Offshore Wind		191	
East Anglia One – Unit 1	T_EAAO-1	Offshore Wind	340	340	

Asset Name	BMU ID	Fuel Type	TEC (MW)	Unit Capacity (MW)	Additional Information
East Anglia One – Unit 2	T_EAAO-2	Offshore Wind	340	340	

GAS STORAGE ASSETS

Asset Name	Asset ID	Fuel Type	Storage Capacity (TWh)	Additional Information
Hatfield Moor	HATF-1	Gas Storage	1.235	Storage capacity includes 0.469 TWh of cushion gas

Section 2: Explanatory Information

1. Urgent Market Messages (UMMs) in relation to the wind assets listed in Section 1 (Standing Data) of this fact sheet will be published simultaneously to the ScottishPower REMIT website (http://www.scottishpower.com/pages/scottishpower_remit_home_page.asp) and the REMIT pages of the Balancing Mechanism Reporting Service (BMRS) operated by Elexon (<https://www2.bmreports.com/bmrs/?q=remit>). The information on both websites should be identical but in the event of any discrepancy please contact us through your usual channel. UMMs in relation to the Gas Storage Assets are published on the ScottishPower REMIT website and National Grid website (<https://www.remit.gb.net/>).
2. We aim to publish information in relation to new or amended outages and restrictions as close to real time as possible and at the latest within 1 hour
3. We only publish information in relation to outages/restrictions for wind assets with a generating capacity greater than or equal to 100MW.
4. We publish information in respect of all changes in wind output availability of greater than or equal to 100MW. We will also publish information in respect of changes in wind output availability of less than 100MW if we believe that it has the potential to significantly affect wholesale energy prices.
5. The event start and end time that are published for each UMM are rounded to the start or end of the half hour periods, except for amendments or cancellations made to a current ongoing planned outage, which will show the actual end time.
6. We publish information in respect of all outages and restrictions at the Hatfield Moor gas storage facility (no threshold applied).
7. The gas flow information in relation to Hatfield Moor is published daily at the end of each gas day.

8. The information in relation to the UMMs will be available in the Archive pages of the website for a minimum of 5 years from first publication.
9. We publish UMMs in relation to the following companies that are registered as Market Participants under REMIT;

<u>Market Participant</u>	<u>ACER Code</u>
SCOTTISHPOWER ENERGY MANAGEMENT (AGENCY) LIMITED	A0002122U.UK
SCOTTISHPOWER ENERGY MANAGEMENT LIMITED	A0002123S.UK
SCOTTISHPOWER ENERGY RETAIL LIMITED	A0002383I.UK
ScottishPower Renewables (WODS) Limited	A0007996U.UK
ScottishPower Renewable Energy Limited	A0007910E.UK
ScottishPower Renewables (UK) Limited	A0007911C.UK
Coldham Windfarm Limited	A0007997S.UK
Celtpower Limited	A0008118D.UK
Morecambe Wind Limited	A0012701K.UK
EA One Ltd	A00159716.UK

Legal Disclaimers

The data and information on this page is published by ScottishPower to the best of ScottishPower's knowledge at the stated time on this page. ScottishPower does not accept nor assume any liability for the quality, accuracy or otherwise of the data and information supplied on this page and reserves the right, at its sole discretion, to amend or withdraw all or part of the data and information on this page at any time. ScottishPower hereby excludes all liability for any claim, loss, demands or damages of any kind whatsoever (whether such claims, loss, demands or damages were foreseeable, known or otherwise) arising out of or in connection with the publishing, provision, accessing or otherwise use of all or part of this data and information, including without limitation, indirect or consequential loss or damage; loss of actual or anticipated profits (including loss of profits on contracts); loss of revenue; loss of business; loss of opportunity; loss of anticipated savings; loss of goodwill; loss of reputation; loss or damage to or corruption of data; loss of use of money or otherwise, and whether or not advised of the possibility of such claim, loss demand or damages and whether arising in tort (including negligence), contract or otherwise.

The publishing, provision, accessing or otherwise use of the data and information is not intended to and shall not create unilateral, contractual or guarantee obligations on ScottishPower or between ScottishPower and any other party. The publishing, provision, accessing or otherwise use of the data and information is not intended to be and shall not be regarded as the provision of investment advice, or as an invitation or offer

to buy or sell goods, derivatives or (other) financial instruments. If any provisions of this data disclaimer shall be unlawful, void or for any reason unenforceable then that provision shall be deemed severable and shall not affect the validity and enforceability of the remaining provisions. Nothing in this data disclaimer shall exclude or limit ScottishPower's liability for any liability which may not be limited or excluded by law.

This data disclaimer and the publishing, provision, accessing or otherwise use of the data and information on this page shall all be governed by English law and be subject to the non-exclusive jurisdiction of the English courts.

The term "ScottishPower" where used in this disclaimer shall mean, together or individually as the case may be, ScottishPower Limited and (i) any subsidiary or holding company from time to time of ScottishPower Limited and any subsidiary from time to time of a holding company of that company, the terms "holding company" and "subsidiary" being as defined in section 1159 of the Companies Act 2006 and a company shall be treated, for the purposes only of the membership requirement contained in subsections 1159(1)(b) and (c), as a member of another company even if its shares in that other company are registered in the name of (a) another person (or its nominee), whether by way of security or in connection with the taking of security, or (b) its nominee, and (ii) any other entity which directly or indirectly controls, is controlled by or is under direct or common control with ScottishPower Limited from time to time (the term "control" for the purpose of this definition meaning that a person possesses, directly or indirectly, the power to direct or cause the direction of the management and policies of the other person (whether through the ownership of voting shares, by contract or otherwise)).

ScottishPower Energy Management Limited Registered office: 320 St. Vincent Street, Glasgow G2 5AD. Registered in Scotland No. 215843
